MISS SHIRLEY SIMMONS.

Our "Girl Of The Week" Today

The smiling beauty on our cover today is Miss Shirley Simmons of San Nicolas. Tall, shapely and winsome, Shirley is every inch the vigorous, dynamic personality reflected in her picture. She was born in Aruba on November 18, 1936, and so is only now approaching "sweet sixteen." In her case that popular phrase is most appropriate.

Nº 20

## Girl of the Week.

Standing 5ft. 6in. and weighing a solid 146 lbs., Shirley has the energy and athletic tendencies that go with such proportions, and has as her chief physical activities swimming and dancing. Speaking of dancing, her eyes sparkle and her whole body thrills at the word.

"Dancing?" she says, "I just love it; can't get enough of it."

For hobbies she collects phonograph records, with her favorite being Mario Lanza, plays the guitar, and loves animals and flowers.

Shirley has one sister in Aruba, and a brother and sister in the States, where she hopes to go soon. She is very fond of travelling, having done quite a bit around the Netherlands Antilles, and is looking forward eagerly to her trip to the U.S.A.

#### MULTUM IN PARVO

#### THE DIFFERENCE BETWEEN THE CHILDREN OF "LOCAL" AND "FOREIGN STAFF" EMPLOYEES.

When Our Lord and Saviour, Jesus Christ, said "Suffer little children to come unto me". His statement was not intended to discriminate or segregate His children, He did not refer to a particular race, caste or creed of children. He did not mean "locally hired" children or "foreign staff" children. He meant ALL His children.

However, Lago interprets this to mean "foreign staff" children.

For some time now the Special Problems Advisory Committee has been trying very hard to get Lago to accept the children of "locally hired" employees for treatment at the hospital up to age eighteen — at present they may only enjoy medical facilities up to age 15. Lago has said NO each time. However, the children of "foreign staff" employees may enjoy medical facilities up to age 18. Why the distinction between the children?

We know the vast difference between the wages of "local" and "foreign staff" employees, and we know that the medical facilities at Lago are far more cheaper and better than the one privately owned hospital outside. Since Lago is aware of all this too, why is the company so adverse to granting their suppressed "locals" a facility which would alleviate their present hardships? We know Lago is not a philanthropic organization, but is

this good reason for maintaining discrimination between its employees' children? How about Industrial Relations? How now about Human Relations?

B. K. CHAND.

## LOCAL NEWS

### WHAT OUR READERS COMPLAIN ABOUT.

The practice exists at almost all the gasoline stations on the island whereby a motorist drives up to the gasoline pumps for gas, then proceeds to give his car a good "servicing" — Checking oil, water and battery. In the meantime another motorist is behind waiting for gas only, but must wait till whenever this "service" job is finished.

It is the general opinion, borne out by reason and common sense, that the gasoline pump is not the place for servicing a car. If a motorist wants such service, he ought to remove his car from the pump, so that others desiring gas can get it without unnecessary delay.

It is hoped the various station managers will look into this matter at once and remedy this annoying situation.

### ROAD PIRATES IN ARUBA ARE WARNED

That in the future their driver's license will be revoked for at least six months should they be

CAMEL is first, first in SALES  
and first in QUALITY

caught exceeding the maximum speed limit.

It has also been established that individuals whose driver's license has been revoked are still driving as if nothing ever happened and even under the influence of alcohol. In the future these individuals will get a prison sentence of at least one month and in no case a fine. Anyone not satisfied with the lesser fine should anticipate the higher penalty.

#### 2.6% INCREASE IN ARUBA'S POPULATION

According to official reports Aruba's population during 1951 increased by 2.6 per cent. The population increased by 1,731 men and 1,846 women (by births and new settlements). It decreased by 1,291 men and 846 women (due to deaths and departures). At the end of Decem-

ber 1951, therefore, the population stood at 28,667 male and 25,964 female residents. Total population 54,631. Population increase of 2.6%.

#### ARUBA HOTEL PLANS ON THE MOVE

It is understood that plans for the hotels for Curacao and Aruba are beginning to take on some real meaning. According to recent reports a preliminary plan has been drafted and this will be reviewed further when a number of interested U.S. business men arrive in this Territory. It is now proposed to build 100-room hotel at Curacao and one at Aruba (near the Roosevelt House and at Palm Beach, respectively) with a swimming pool at both places. Furthermore, at each island (in Aruba at Palm Beach and at Curacao near the Nieuwport Beach) one hundred cabanas

with shower and dressing rooms. These cabanas will be for the sole use of the hotel guests.

Apart from this, Aruba is to get an additional ten or twenty 2- and 3-room bungalows. The U.S. architect Robert Law Weed will be charged with designing the entire plan. Robert Law Weed is well-known in Aruba. He designed the Lago Hospital, Esso Club, etc. and also designed a number of hotels in the Caribbean area.

All plans are subject to change. The sketches will be studied here and a final plan will be drawn up thereafter. Not until then will the purchase of materials, which will be obtained mainly from Holland, be studied as well as the construction of the projects which it is hoped can be carried out by local contractors.

#### EXCESSIVE USE OF ALCOHOL

According to official reports during 1951 a total of 695 summonses were issued for intoxication in public; of this number 124 were issued to seamen, 45 against foreigners, 81 against individuals of the other islands of

### NEW EMPLOYEE REPRESENTATION PLAN FOR CPIM EMPLOYEES

At 11.00 a.m. on September 6, 1952 the recently elected new CPIM Employee Council was officially installed by Dr. Flachs. All members of management and a large majority of the department heads and many officials were present during the installation ceremony.

The newly elected Council is part of the revised representation plan for CPIM employees. Part of the new plan calls for district councils to assist in less important phases of employee representation than that handled by the CPIM E.C.

According to the election returns there was a 89.9% participation and 15,225 valid votes were cast.

The new Council comprises of seven eligible employees and has no nationality split. Dr. Flachs appealed to the members of Netherlands nationality to accept in their midst and as their colleagues the members of foreign nationality. The Council should consider itself as one representative body for the protection of the interests of all employees, re-

gardless of their nationality or function.

### "ESSO AMSTERDAM" ADRIFT

On September 2 the main motor of the "Esso Amsterdam", 1000 kilometers west of the Azores, went out of commission due to a short circuit. All efforts on the part of the ship's personnel to repair the damage were in vain. The seatur "Humber" was sent to assist the stranded ship and was scheduled to reach her on September 10. The ship will be towed to the Azores where she is expected to arrive on September 18. The "Esso Amsterdam", as 16,000-ton ship of the tanker fleet "Esso Nederland" came from Mexico with a cargo of aviation gasoline for Rotterdam. All is well on board.

## SPORT CRICKET

### BARBADOS — LAGO SPORT PARK 1952 CRICKET CHAM- PIONS

Sunday morning last, Barbados Cricket Team, under the leadership of George Sealey, successfully maintained their lead throughout the 1952 cricket competition by taking an easy two-point victory from West Indies United.

The West Indians were unable to put out a full team and those present were dismissed for 45, Jardine top scoring with 18 and "Mayor" Cherebin 13.

In this inning, Frank Bryan took 5 wickets, Shockness and Martindale one each.

Barbados in turn scored 129 for 4 when the game was brought to a close minutes before the luncheon interval. For Barbados, Alkins topped with 72 not out, Bryan 23, Chase 13 and Martindale 10. The Mayor took a most spectacular catch at gully to dismiss Bryan who made a vicious stroke through gully to find Cherry with the ball inches from the ground.

Bowling for West Indies, Kallo made an impressive appearance as a bowler and took 2 for 29, Havertong took 1 for 27 and Michael Da Silva 1 for 26. Both Da Silva and Havertong appeared to worry the batsmen but there was not sufficient assistance to carry out their attack.

Long Playing Records.

With this victory, Barbados has played undefeated throughout the competition as well as St. Vincent who were unfortunate to have one of their matches ending in a draw when rain stopped play.

Here's the LOCAL extending heartiest congratulations to Skipper Sealy and his team for their splendid effort and to the others, better luck during the 1953 season.

\* \* \*

The Cricket Steering Committee has granted the Cricketers an additional Sunday to play a presentation match at the Lago Sport Park and has therefore set back the A-division series of the 1952 baseball series by one week. However, next week Friday, September 19, the Junior league opens and the following afternoon — Saturday, September 20 the B-Division will swing into action. The A-Division will swing into action on the 28th.

### Table Tennis:

The Aruba Table Tennis Association island-wide competition is underway and the following are the results of the games played during the past week.

Friday last week, Santa Cruz Social Club defeated Tivoli 3—2 and Aruba Jrs. defeated La Salle B 4—1 at Tivoli Club. At Surinam Club, Falcon went down to Bula Waya 4—1 (Clem Pierre winning the lone game 2—0) and POVA took Mariniers A 4—1. At Excelsior Club, Spongers A and B washed out Arend Club A and Mariniers "B" 5—0 respectively and at Caribe, Surinam Club took a 3—2 win from Caribe "B" and Arend Club "B" took La Salle "A" 3—2.

Monday night, Bolivariana won Tropical Boys 5—0 and Bula Waya took Tivoli 4—1 at Bolivariana.

At Caribe Club, Caribe B took Arend Club A 4—1 and Spongers A washed out Arend Club B 5—0.

Spartan A took advantage of Spartan B 5—0 and Excelsior washed out Santa Cruz 5—0 at Excelsior Club.

At the N.W.I.W.A. Club, N.W.I. W.A. took their second game 5—0 from Commandeurs and Caribe A followed with 5—0 over Mariniers "A".

A full auditorium witnessed the Spartan — Spongers table tennis game on Wednesday night last to forecast the 1952 island champions.

In the opening game, Bergland (Spartan) took the 1951 island champion K. Abrahams 22/20, 21/14 in a thrilling game. In the second, Viau (Spartan) won Mendes 21/17; 8/21, 21/17. Edwards (Spartan) won Da Silva 21/13 21/15 to annex the game 3—0. Hope (Spartan) failed to outpoint McLean and lost 21/13, 23/21, 21/15. In the closing Game Sardine (Spartan) went down in a game manner to Matthews 21/18, 21/15. This is Spongers' first defeat in the tournament.

## BASEBALL

### BASEBALL RESULTS; ARUBA TWO DOWN.

At press time the ABBA team had played and lost 2 of their matches in the World Amateurs Series in Cuba.

The Aruba team met with tough luck in both games.

The other participating teams and the crowd are high in their praise of our boys playing ability, however, especially since this is the first time Aruba is participating in the baseball series held on foreign soil, under the lights.

In the game against Nicaragua, Nel Harms was called the "formidable magnificent right-hander" and there was also plenty of praise for Don Juan Perez.

In the game with Mexico our boys had the lead up to the top of the ninth inning by a score of 2—1.

The bottom of the ninth brought disaster for our team, as manager Proterra replaid Rueben Phillips by R. Harms with bases loaded, no out and one run batted in. Two errors were made in this inning. A forced run came in when Harms gave the batsman a free ride to tie the score 3-3 with no outs. Another

hit was made by Mexico and the game was all over. According to reports, also the result of an error by Clyde Harms, who dropped an easy fly.

While we are not judging manager Proterra, it is our opinion that he should have released Phillips earlier, say in the 6th or 7th inning instead of the ninth, seeing that Aruba already was in danger.

Time and again the crowd cheered Rueben who did some very fine and effective pitching. Reed was also in top form.

All in all the entire team of Aruba did its best and we are proud of our boys, while we keep our fingers crossed for the remaining matches.

As this goes to press, our boys are opposing Cuba.

They are also scheduled to play tomorrow (Sunday) against Puerto Rico.

\* \* \*

Last Sunday, September 7, "Scagram's V.O." baseball team went

down to "Chesterfield" (Training) team to the tune of 25 — 14 in a 9 innings game played at L. H. Sports Field.

\* \* \*

Manager A.R.C. Webster of Happylanders has given notice he is no longer connected with this team and has cancelled their participation in the 1952 Lago Sport Park Baseball Competition.

## BOXING

### MIRO — GILKES FIGHT POSTPONED.

Because of the fact that Wilfredo Miro was delayed in British Guiana, his fight against Bull Gilkes at the Arena National, San Nicolas, scheduled for last night had to be postponed.

His opponent, Bull Gilkes, has already arrived in Aruba and Miro is expected tomorrow, Sunday.

Following the arrival of Miro a new date for the fight will be set, agreeable to both boxers and the pro-

Leaving Aruba on Wednesday of last week, was the ABBA Baseball team. Accompanying the team were Manager Joe Proterra, Trainer Horacio Martinez and 3 ABBA Board Members.

A large crowd was on hand to wish the boys Good Luck.

Band Club and both teams had a fine time while various drinks were shared.

Mr. J. Martilia with his powerful voice gave a rendition of songs.

The managers of the Commandeursbaai & E.B.B. Club together with chairmen and captains of the Pool Clubs thanked the players for their fine behaviour and sportsmanship during the games.

They all hoped that this spirit will last through all the years to come.

So far two games ended in a draw while one was won by the Rocket Pool Club.

**Weightlifting**

ARUBA DRAWS WITH CURACAO;

THOMAS FREDERICK 'MR. NETHERLANDS ANTILLES'

The Aruba weightlifting team returned Monday night last with very exciting news for our readers after taking part in the Netherlands Antilles Championship competition held in Curacao. The standard of competition was high and our boys were held to a 3—3 draw in the weightlifting.

Curacao's lifters, Capra, Cornet and Adriana displayed wonderful

ly to win for their team, Copra being awarded the "Outstanding Lifter" trophy. Diaz of Aruba won by a small margin after pulling a muscle in the snatch.

In the body beautiful contest, Thomas Frederick "Mr. Aruba" met with strong opposition, but was able to hold his own and with a wonderful posing display, annexed the title "Best Developed Athlete in the Netherlands Antilles", and received the trophy for best posing ability.

The results were as follows:

Bantam weight: Franca (Aruba) 140—155—200—495; Wedevoort (Curacao) 160—195—355

Feather Weight: Diaz (Aruba) 195 165—220—580; Carolina (Curacao) 170—175—230—575.

Light Weight: Copra (Curacao) 200 200—260—660.. Richardson (A) 190—200—250—640.

Middleweight: Cornet (Curacao) 230—220—280—730; Dash (A) 210—200—410.

Light Heavyweight: Pemberton (A) 215—220—280—715; Trappenberg (C) 200—190—250—640.

Heavy Weight: Adriana (C) 260 250—330—840; Figueira (A) 195—180—250—625.

Body Beautiful: T. Frederick; H. Henry; J. Montoute; E. Cornet; N. Brathwaite. Aruba was awarded the team trophy.

**KORFBAL**

Last Sunday Sparta scored a 2—0 victory over Noord Centraal at the Lago Sport Park.

Tomorrow afternoon the competition continues with TOF opposing Jong Aruba.

The match starts at 5 p.m. sharp.

**World News****EGYPT.**

Premier Aly Maher resigned last weekend and General Naguib, Army Commander in Chief, took over as Prime Minister of the new Government. He also retained his position as Minister of the Army and Marine.

One of his first actions was to round up several outstanding politicians, including seven members of

ex-King Farouk's family, who were alleged to be grafters. Among those arrested were the former premiers, Ahmed Hilaly and Abraham Abdel Hadi, the boss of the Wafdist Party, Faud Serag Edin.

In the new Cabinet are six members of the anti-British Nationalist Party. No Army men are in the Cabinet and an Army spokesman stated that General Naguib would resign as soon as normal parliamentary rule is restored.

The country is remaining quiet, but it was reported that the British forces in Suez Canal Zone and the Sudan were reinforced.

**ENGLAND.**

This week Mr. Churchill promised that his Government will introduce measures in November to denationalise the country's steel and trucking industries

He stated that the Labor Government did not have time to carry out the complete socialisation of the industries and the separate identity and independence of the great steel

**Sound on Film.**

The demonstration of the new Bell & Howell N° 202, the filmprojector that records sound on film directly, is now scheduled for MONDAY Sept. 15th., at 8.30 p.m. in SCALA (1st. floor), Oranjestad.

Mr. Frank Chumaceiro (of "EL GLOBO", Curacao) will demonstrate this amazing new apparatus. In addition to the regular demonstration-film, Mr. Chumaceiro will show some of his own film with "home made" sound.

Interested parties are cordially welcome.

## Give your baby's soft, tender skin Palmolive's loving care!

**G**IVE YOUR BABY the same skin care that is given to many of the world's most famous babies. Choose Palmolive Soap for his tender young skin, because Palmolive's pure mild lather will give him all the loving care a soap can give. And it leaves his skin fresh and clean, assuring you that he will be admired by all.

**And doctors prove that you, too, may win a lovelier complexion using nothing but Palmolive Soap!**

Just massage Palmolive's beautifying lather onto your skin 3 times a day. Do this for 60 seconds each time. Then rinse. See how quickly dull, drab skin looks fresher and brighter; coarse-looking skin appears finer! Start this new Palmolive way to beauty—tonight!

Use it in tub or shower. The alluring new fragrance of Palmolive's "Beauty Lather" leaves you even lovelier all over!

companies have been preserved, thus making it so much easier to denationalise them.

The Premier and his wife left London for a short visit to the south of France. While there they will stay in the Riviera villa of Lord Beaverbrook. They will return on September 23, 1952.

## PLANE CRASHES AT AIR SHOW

Over 120,000 persons at the Farnborough air show witnessed grim tragedy when Britain's newest jet fighter, De Havilland 110, after showing some of its paces, suddenly zoomed to a height of 2,000 feet and disintegrated completely.

At the time of disintegration, the plane was traveling at more than 700 m.p.h. with one of Britain ace fliers, John Derry at the controls. The wreckage of one jet engine plummeted into a group of spectators killing twentyfive, and injuring about 36.

The crowd remained calm and the show went on as if nothing had hap-

pened. An investigation into the cause of the accident was held on Monday but findings were not announced.

## Glimpses from the New World

### INTERNATIONAL SCIENCE JOURNAL.

WASHINGTON (Vaz Dias) An international science journal written in Interlingua, an international auxiliary language, will be published shortly under the name Scientia International. It will bring basic information on the progress of science to non-English speaking areas. According to Science Service, its publishers, foreign scientists who are unfamiliar with English will be able to read and understand the contents without even having studied Interlingua.

### PAKISTAN

NEW YORK (Vaz Dias) A series of international trade shows in the offices of the American International Underwriters Corporation was opened here with an exhibit of Pakistan products in honor of that country's fifth anniversary of independence. The company announced it had made arrangements for subsequent displays on West Germany, Argentine, Japan, Great Britain, Brazil, Ecuador, The Pan American Coffee Bureau and countries in the Caribbean area.

### WRINKLE-PROOF MEN'S SUITS.

NEW YORK (Vaz Dias) In spite of the flood of advance publicity, the much-touted new wonder fiber Orlon is not yet being used in men's apparel. Some time must necessarily elapse between the development of a new product and its large-scale manufacture and Orlon has been available in limited quantities for women's dresses. Now it is about to be mass produced by its manufacturer, the Du Pont Company, at the rate of 30 million pounds a year and Orlon fiber will soon be

processed in combination with wool to provide material for men's apparel. The first batch of allegedly "crease-proof" suits will be on the market in time for the Christmas shopping season.

#### DUAL-PURPOSE WAX.

TALLAHASSEE (Vaz Dias) Floors are shined and insects killed in one single operation upon appliance of Freewax Corporation's newest product. Containing an odorless insecticide, Lindane, the wax is harmless for human beings and pets while it is lethal to roaches, ants and other household vermin.

#### GREASES FROM SAND.

OTTAWA (Canada) (Vaz Dias) The use of "sand in the machinery" normally known as a calamity — has been tested and approved by the National Research Council's Division of Pure Chemistry. The special form of sand, used as a water-repellent lubricant, is mixed with a thin lubricating oil forming use of "sand in the machinery" — a heavy silica grease of a semi-transparent, light yellow substance which does not show the tiny grains of sand it contains. Superior to ordinary greases, the silicon dioxide lubricant is stable at high temperatures and has a long bearing life — at least twice as long as that of good ordinary grease.

#### BURP THE BABY-DOLL.

WASHINGTON (Vaz Dias) Little girls already raising their family of sleeping, crying and leaking dolls, will soon be able to copy

every mother's concern; to make baby burp after feeding. The inventor of this latest feat in realism has devised a flattened rubber tube discharging low-pressure air into the doll's head when its rubber body is squeezed.

#### NEW TYPE OF SUBMARINE.

THE HAGUE (Vaz Dias) The four submarines which are now on the stocks for the Royal Netherlands Navy are being built according to an entirely new principle. Instead of the single-cylinder type accommodating all the apparatus, common to all submarines in the world,

a three-cylinder type has been designed. This type, which is regarded as revolutionary in Netherlands naval circles, is an invention of a Netherlands ex-naval engineer. So far, not a single naval power has this new model of submarine at its disposal.

#### SYNTHETIC BLOOD EXTENDER STOCKPILED

Washington (Vaz Dias) - Stockpiling synthetic blood extender as an emergency measure for civil defense, the Federal Civil Defense Administration after an initial shipment of 100,000 pint

bottles of the precious produce, has purchased a total of 1,200,000 pints. Shipment will be stepped up every month. The entirely synthetic product known as PVP-Macrose, as yet not available for commercial use, can be turned out in unlimited quantities at low cost, and requires no refrigeration. While blood donations will continue to be necessary for rehabilitation treatment, the blood extender is suitable for emergency use under disaster conditions during the first 12 to 24 hours.

ville. Made to swing sideways as well as up and down and furnished with four lenses, the camera can operate from a thousand feet distance. In television network this improves gadget makes the often disturbing physical presence of the cameraman unnecessary. It will be handy for strategic positions, as it can work for long hours from behind all sorts of camouflage such as flower displays, artistic decorations etc. used at conventions or any public events. The camera is also important for military use.

### STEEL HARBOR

Long Beach, California (Vaz Diaz) - An artificial steel harbor is under construction here to protect vessels from violent gales and strong wave pressure. According to the American Iron and Steel Institute, violent seas will be checked by interlocking steel piling. Sand-filled circular piles, it is explained, can stand pressures of 8,000 pounds per linear inch at interlocking points. The artificial steel harbor will offer a haven for the largest ships.

### REMOVE CONTROL TELEVISION CAMERA

Washington (Vaz Dias) Formerly inaccessible places are now within reach of an improved remote control television camera developed by the General Precision Laboratory, Inc. of Pleasant-

### INGENIOUS MOSQUITO KILLER

San Francisco (Vaz Dias) - An epidemic of sleeping sickness in California's fertile Central Valley is being halted by a novel method of combating the mosquitoes which transmit the dread disease. A new wetting detergent called H2OK which diminishes the surface tension of water in being sprayed on stagnant pools and marshland. As a result the young mosquito larvae which developed from the eggs floating in the water, immediately sink through the surface and are destroyed before they can start their deadly work. The detergent is inexpensive and believed to be more effective than DDT against which mosquitoes have built up considerable immunity.

### PEACEFUL SNORKEL

Fort Madison (Vaz Dias) - A new type of fountain pen said to end all inkspot and filling troubles is about to be launched by the Sheaffer Pen Co. to the tune of a multi-million dollar advertising campaign. Claimed to be "mess-proof" the pen is called the "Snorkel" after an extensible filling tube resembling the World War II invention which permitted submarines to breathe under water. The Snorkel fills up with ink without any other part of the pen — or fingers — coming in touch with the fluid.

## GENERAL:

Sir Norman Kipping, director general of the Federation of British Industries, will head a team of British industrialists to visit Jamaica, Trinidad and British Guiana, next month and November this year. The team, on an industrial survey mission, will consist of industrial experts in food and agricultural processing, light industries, chemical, industries, mechanical industries, a consulting engineer and possibly an expert in building materials.

## 20-MILE SWIM.

An eighteen-year-old member of the crew of the gasoline fishing launch which blew up on Sept 7th. swam 20 miles to bring news of the disaster to Kingston. He reports that two members of the crew of 8 were drowned and he left the others on a makeshift raft. Launches are searching for the survivors.

## W. I. NEWS.

## JAMAICAN GIRL MAKES FILM

Sheila Chong, a beautiful sixteen-year old Jamaican girl recently made a motion picture "Island of Desire" for United Artists. Sheila was chosen to play the role of a native girl in love with a white man.

Over six hundred girls were interviewed for the part.

The film is an unusual romantic story of two men and a girl shipwrecked on an island. The picture was filmed entirely in Jamaica. Starring are Linda Darnell, Donald Gray and Tab Hunter.

Sheila, still a school girl, is a mixture of Jamaican and Chinese.

The picture is being presently shown in Trinidad.

## JAMAICA CALLED BIG HEARTED.

The "Daily Express" today praised Jamaica as "the biggesthearted island in the world," for sending £1,000 (£4,800 B.W.I.) to relieve the flood distress at Lynmouth, Devon.

No greater riches have ever flowed to Britain from the Empire than the £1,000 (£4,800 B.W.I.) sent by the people of Jamaica to the victims of the Lynmouth flood" states and editorial, "for this treasure comes not from a rich soil, but from the heart of the Colony's people.

"It comes from the men and women who themselves are poor and whose own island had been devastated by hurricane. It comes from the men and women who cannot afford to give at all but who still give generously."

Jamaica's contribution, sent by the "Daily Gleaner", had arrived on the anniversary of the Jamaica hurricane.

To Persons with Homes or relatives in

### HICKINSONS LEAVE.

Returning to Trinidad on Friday last week after a short holiday here weret Rudolph Hickinson & Hubert Hickinson, teen-age sons of Mr. Albert Hickinson, well-known merchant of San Nicolas.

Rudolph and Hubert were spending part of their summer vacation with their father. They are students of St. Benedict's College in Trinidad.

### ON VACATION.

Among the many visitors in Aruba, we have miss Cynthia Dopwell of St. Vincent, B.W.I., who is visiting with her sister, Mrs. Betty Russell of Lagoville N<sup>o</sup> 124.

Miss Dopwell is employed in the office of the famous Mrs. Bentinck Estate with her father who is Secretary to the Estate. She is on 3 months vacation now and came via Curacao by the M. S. "Colombie".

### MRS. IVY CHARLES FOR ENGLAND.

On Monday last a large and happy crowd was present at Mrs. Ivy Leanora Charles home at Theaterstraat to celebrate her farewell party.

A variety of good records and drinks kept the floor busy with the dance lovers. Impressive speeches and wishes were rendered her.

The party lasted till after midnight and every one left very pleased.

Mrs. Ivy as she was called had almost 9 years on the Island and during that time has won many ones heart with her good character.

She left Wednesday morning for England were she will take up work as a nurse at the Glenford Hospital.

Her husband who is a tailor on the Island remains here for the time being.

To her our best wishes for a bright and happy future.

### LOCAL NEWS

IN MEMORIAM †

Early this week news reached us  
of the death of Hans Hirschfeld, for-  
merly of Lago's Marine Department.

Hans died as a result of an acci-  
dent on board of the vessel on which  
he was working.

He is survived by his wife, Mo-  
ther and three Brothers.

Our sympathy to those.

\* \* \*

Our condolences this week also  
go to Mr. R. Polak and Mrs. H. M.  
Nassy who's father died in Surinam  
following a short sickness and to Mr.

James Leysner who received the sad  
news of his fathers dead, also in Su-  
rinam.

### INDIAN FILM "ANDAZ"

Movie goers will be thrilled on  
Tuesday, September 17th, at 8 p.m.  
at the Principal Theater in San Ni-  
colas when the Indian film "AN-  
DAZ" which has been brought to  
Aruba by Mr. Ch. H. Raghunath  
will be shown.

The picture created a sensation  
everywhere it was shown and is rat-  
ed very highly.

**WORLD NEWS**

**COLOMBIA.**

Last Saturday, mobs attacked and burned the shops and offices of two newspapers and the offices of the Liberal Party headquarters. The homes of two Liberal party leaders were also destroyed.

It was reported that after the funeral of five soldiers who were killed by bandits, a protest march was made, and since it is charged that the Liberal Party is supporting the bandits, the mob attacked the Newspapers offices affiliated with the party.

The Conservative Government of Roberto Arbelaez is taking strong action to stamp out the banditry, but has made no official charges.

Rob is dog-tired when he steps ashore in Tanger. And now quickly to Major Ross. Suddenly he hears a loud bellowing behind him. That's Skip. And, indeed there is his dog, in the back of the small car in which Marga and Willy are riding around. "Rob", Willy cries excitedly. "is it really

you?" The girls have been thinking the worst. . . . Quickly they take Rob to Major Ross who has the film developed at once. "There are only two pictures on it, that I did not make", Rob says. One of those was probably made by Mona: Harries is on it. Rogers carefully looks at

that picture and mutters: "Where did I see that face before?" He goes to a cupboard and produces a stock of old German war-periodicals. After looking through a couple of them he exclaims: "Come here, I found something interesting".

Puts more cool air into the Room

You'll have a "new lease on life" this summer — and all year 'round — with MITCHELL *Dyna-Cool* Room Air Conditioning in your home and office.. Superbly efficient and reliable, surprisingly low in cost, MITCHELL offers every new comfort feature devised by modern research:

*Dyna-Cooler* — for amazingly powerful hot-weather relief; *Dri-Ductor*, to wring out oppressive humidity; *Micro-Filter*, for super-efficient removal of dirt, dust and *all* the pollen; *Magna-Vent* for maximum draftless cool air delivery.

Now you can have unbelievable freedom from weather worries! Sleep soundly and awaken refreshed at home — work more efficiently in your office — live in a cool, clean, invigorating world of your own, far removed from outside heat and humidity. In all seasons, MITCHELL Air Conditioning keeps room air pure and fresh, creates a quiet, restful atmosphere — so you live better, work better and feel better. Easy to install — modest in cost — it's an everyday necessity. For your own sake and your family's..

DYNA-COOL your office and home with a MITCHELL—

the World's Finest Room Air Conditioner
